

ATAMABAY HSE POLICY

The policy of **ATAMABAY** Nigeria is to conduct all of its operations in a health safety manner, giving first considerations at all times to the safety of persons and properties that may be affected by its activities.

We recognize the health safety and efficiency of our own operation is inseparable.

Therefore, health and safety forms an integral part of all our daily activities. We have ensured that implementing, monitoring and reviewing appropriate controls to minimize the risks arising from our projects.

Our objective is to always create a safe working environment by identifying and assessing risks at the earliest opportunity, adopting good practice and ensuring that safe systems of work are in place across all our company activities.
